

### Independent Auditor's Report

#### To the members of Project Concern International Report on the Audit of the financial statements

#### Opinion

We have audited the accompanying Financial Statements of Project Concern International ("the Society"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2026 and the Income & Expenditure Account for the year ended 31<sup>st</sup> March 2026 including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion, and to the best of our information and according to the explanations given to us, the aforesaid financial statements together with the notes thereon and attached thereto give a true and fair view of the financial position of the society as at 31<sup>st</sup> March 2026, and its surplus for the year ended in accordance with the accounting policy mentioned in Note 1 and the accounting principles generally accepted in India.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) and other applicable pronouncements issued by the Institute of Chartered Accountant of India. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management for the Financial Statements

The Society's management is responsible for the preparation of these Financial Statements that give a true and fair view of the financial position and financial performance of the Society in accordance with the generally accepted accounting principles in India and as per Rules and Regulation of the Society. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Society and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Society's Management is also responsible for overseeing the Society's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the society's internal financial control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Governing Body.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statement that, individually or in aggregate, makes it probable that the economic decision of a reasonably knowledgeable user of the financial statement may be influenced. We consider quantitative materiality and qualitative factor in (i) Planning the scope of our audit work and evaluating of our work; and (ii) to evaluate the effect of any identified of any misstatements in the financials statement.

We communicate with those charged with governance regarding, among other matters, the planned

scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Further to the comment in para above, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by the Law have been kept by the Society so far as it appears from our examination of those books.
- c. The Balance Sheet and the Income and Expenditure dealt with by this Report are in agreement with the books of account.

Notes to Accounts and Summary of Significant Accounting Policies

Note 1

A. General information

Project Concern International (the 'Society') was registered on June 17, 1998 under the Societies Registration Act XXI of 1860 vide registration number S-33147 with the main objective to promote charitable objects and for the purpose of advancing the well being and welfare of the people through primary health care and community health programs.

B Summary of significant accounting policies

(i) Basis of preparation

These financial statements have been prepared under the historical cost convention using the accrual basis of accounting except as below.

Interest income on income tax refund, Interest on the saving bank accounts and general donation are recognised as income on the receipt basis.

(ii) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions that affect the reported amount of assets, liabilities, revenue and expenses during the reporting period. Although such estimates and assumptions are made on a reasonable and prudent basis taking into account all the available information, actual results could differ from these estimates and assumptions and such differences are recognised in the period in which the results are crystallised.

(iii) Unrestricted fund

Unrestricted fund other than designated funds and corpus is part of general fund. Unrestricted fund is fund which is available for the furtherance of the objectives of the society in the future period(s). The surplus/(deficit) from income and expenditure account during the year is transferred to unrestricted fund.

(iv) Restricted fund

Restricted funds are funds whose use are restricted by the donor's for specific time and/or for specific purposes. Funds are initially treated as liability and on satisfaction of the conditions for the use of each grant, income is recognised to the extent revenue expenditure is incurred during the year. Indirect cost recovery is directly credited to general fund. Fund utilized towards capital assets is credited to capital assets fund account.

(v) Capital Assets Fund

Capital Assets Fund is fund which represents the net value of the fixed assets purchased out of restricted funds as well as owned funds.

(vi) Property, plant and equipment and intangible assets

Property, plant and equipment and intangible assets are stated at cost, less accumulated depreciation. Cost comprises the procurement amount including duties and non-refundable taxes and directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by the Society.

An item of fixed assets is derecognised on disposal. The gain or loss arising on derecognition on disposal is recognised in the Income and Expenditure Account.

(vii) Depreciation and amortization

Depreciation and amortization is provided on a pro-rata basis on the written down value method at the rates and in the manner prescribed under the Income- tax Act, 1961. Depreciation is first recognised as income and expenditure on systematic basis in the income and expenditure account and equivalent amount is transferred to Capital Assets Fund Account to represent the written down value of assets as at the end of the financial year.

The rates of depreciation and amortization used are as follows:

Asset	Rate
Buildings	10%
Furniture & Fixtures	10%
Office equipment	15%
Computers	40%
Vehicles	15%
Software	40%

Notes to Accounts and Summary of Significant Accounting Policies

(viii) Employee benefits

**Short term benefits**

Short term benefits are recognised as expense in the income and expenditure account for the year in which the related services are rendered.

**Long term benefits including post employment benefits**

**Provident Fund:** Contribution towards provident fund for employees is made to the regulatory authorities, where the Society has no further obligations. The Society does not carry any further obligations, apart from the contributions made on a monthly basis.

**Gratuity:** Provision for gratuity is determined on an actuarial basis at the end of the year and are charged to Income and Expenditure Account each year. Gratuity liability is funded under the scheme of employees group gratuity by LIC. Liabilities are settled out of the funded assets. The liabilities are shown net of value of plan assets.

**Other Long term benefits**

**Compensated absences:** Provision for compensated absences is determined on an actuarial basis at the end of the year and are charged to Income and Expenditure Account. Compensated absences liabilities are funded under the scheme of employees group leave encashment by ICICI Prudential. Liabilities are settled out of the funded assets. The liabilities are shown net of value of plan assets.

**Leases:** Where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease payments are recognised as an expense in the Income and Expenditure Account on Straight Line basis over the lease term. Any short/excess in lease payment is adjusted to Lease Equalisation Reserve.
